

# Kept Through Faith

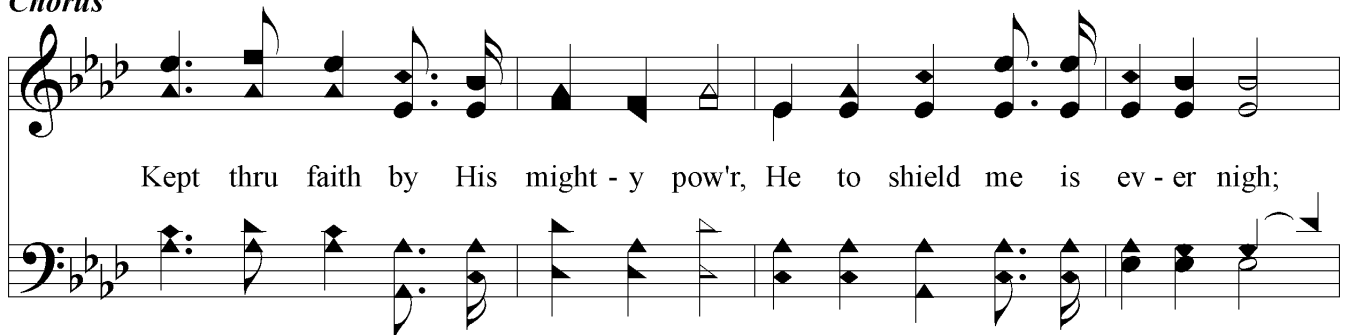

1. Tho' I fal - ter, His arm will hold me; I can rest on His strength and grace;  
2. "Tho' an host should en - camp a - gainst me," Why, O why should I have a fear?  
3. Je - sus knows all a - bout the path - way I most trav - el from day to day:

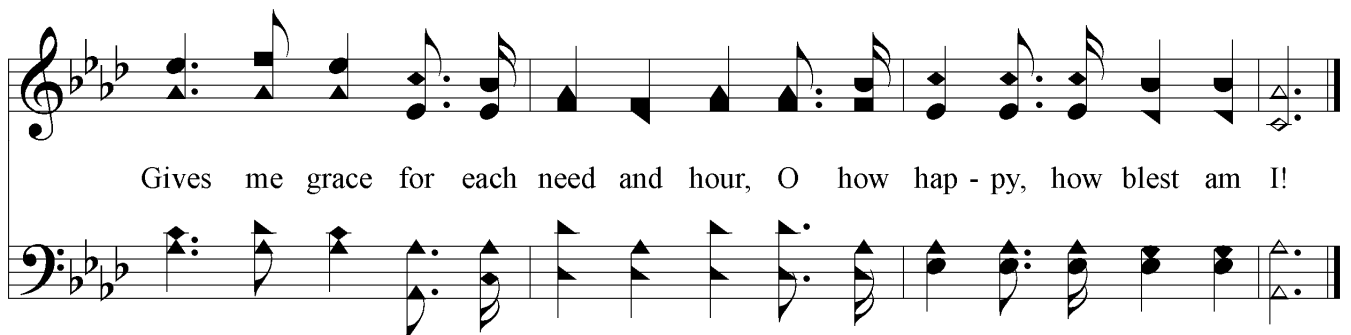

Tho' the dark - ness of night en - fold me, Soon I know I shall see His face.  
Lost in sin, Je - sus sought and found me, Now to keep He is ev - er near.  
When on earth as a "Man of sor - rows," He walked o - ver the same hard way.
