1. No one can help you but Je - sus! Your sins may be scar - let, I know,
2. No one can help you but Je - sus! His name is your weap - on and shield;
3. No one can help you but Je - sus! No heart is so ten - der and true;
4. No one can help you but Je - sus! Go seek for Him then in His Word;

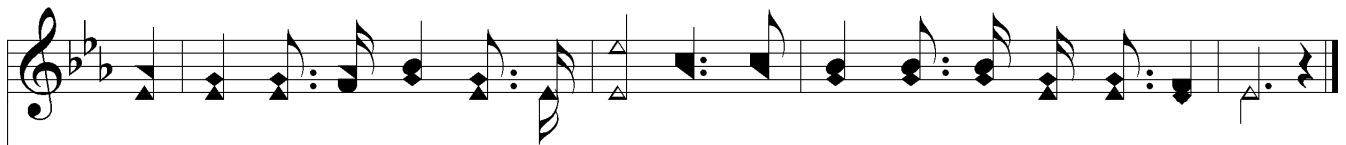

But red - der the blood of your ran - som On Cal - va - ry stream'd long a - go.
Be - fore it the dark hosts of Sa - tan In ter - ror shall trem - ble and yield.
All judg - ment to Him is com - mit - ted, And He is your ad - vo - cate, too.
The voic - es of earth may mis - lead you, But nev - er the voice of your Lord.

Chorus

No one can help you but Je - sus, For no one but Je - sus knows how;

He sees all the past and the fu - ture, And just what the trou - ble is now.
