Quit Your Fears

1. In the land be-yond the shad-ow, Just be-yond the vale of tears,
2. When our la-bors here are end-ed, And the Lord of hosts ap-pears,
3. When you en-ter thru the por-tal, Leav-ing all the pain of years,
4. How the world of sin is light-ed, How that voice the spir-it cheers,

Is the Chris-tian's home in glo-ry, Trust on, broth-er, quit your fears.
Will He find us faith-ful, watch-ing, Watch on, broth-er, quit your fears.
There, with souls re-deemed, im-mor-tal, You'll for-get your fool-ish fears.
"It is I, be not af-fright-ed," Trust the Sav-ior, quit your fears.

Chorus

Tho' the shad-ows thick-en 'round us, There are smiles be-yond the tears,

For a Sav-ior's love has found us, Trust Him ev-er, quit your fears.
