# There's Work to Do

1. From the ear - ly morn - ing light, To the si - lent hour of night,
2. There is work that we must do, And our strength He will re - new
3. There is work that we must do, And a path we must pur - sue;

O re - mem - ber there is work for all. With the pre - cious balm of rest,
If we trust Him while the time shall last; He will keep us in His care,
There's a prom - ise in His Word laid down, Of a rest - ing by and by,

To the wea - ry hearts op - pressed, Let us has - ten at the Mas - ters call.
He will hear and an - swer pray'r, And de - fend us till our days are past.
And a man - sion in the sky, Where the faith - ful shall re - ceive their crown.

Chorus

Work to do, work to do,
There's work to do, there's work to do,
