

A Present Help

E♭

1. There is nev - er a day so drear - y, But God can make it bright;
2. There is nev - er a cross so heav - y, But Je - sus' hands are there,
3. There is nev - er a heart so bro - ken, But Je - sus Christ can heal;

And to the soul that trusts Him, He giv - eth pure de - light;
Out - stretched in sweet com - pas - sion, Our bur - den still to bear;
The heart once pierced on Cal - v'ry Doth for his peo - ple feel;

There is nev - er a path so Hid - den, But God will show the way,
There is nev - er a life so dark - ened, So hope - less, so un - blest,
He will ev - er ful - fill His prom - ise, His word can nev - er fail;

If we will seek His guid - ance, And pa - tient - ly will pray.
But may be fill'd with glad - ness; In Je - sus' peace may rest.
God is our help in trou - ble, Our strength when foes as - sail.
