

Bear Me On

D

1. O how I long to see that day When the re - deemed shall come
2. I'll hear the al - le - lu - ias roll From the un - num - bered throng,
3. All hail! the morn of glo - ry's nigh The pil - grim longs to see,

To Zi - on, clad in white ar - ray- Their bliss - ful, hap - py home.
And with a heav - en - rap - tured soul I'll join re - demp - tion's song.
That dries the tear from ev - 'ry eye- Cre - a - tion's ju - bi - lee.

O bear me on, bear me on To Mount Zi - on;

O bear me on to that cit - y of love Where saints shall ev - er dwell.
