Enough For Me

Bb

Andante

1. When the shad - ows dark - ly fall, When the tempt - er would ap - pall,
2. When my bur - den's hard to bear, When earth's sor - rows I must share,
3. In my joy Thou dost re - joice, Ev - 'ry day Thou art my choice,
4. Then at last I've won life's race, Thru the mer - its of Thy grace,

Just to think Thou know - est all Is e - nough for me.
Just to think that Thou dost care Is e - nough for me.
Just to know and heed Thy voice Is e - nough for me.
Just to know I'll see Thy face Is e - nough for me.

Chorus

That a - lone can com - fort bring, While life's mo - ments flee,

Just to think Thou know - est all Is e - nough for me.
