

Heirs Of Unending Life

DENNIS S. M.

1. Heirs of un - end - ing life, While yet we so - journ here,
2. God will sup - port our hearts With might be - fore un - known;
3. 'Tis He that works to will, 'Tis He that works to do;

O let us our sal - va - tion work With trem - bling and with fear.
The work to be per - formed is ours, The strength is all His own.
His is the pow'r by which we act, His be the glo - ry too!
