D

*With animation*

1. If ye then with Christ be ris - en, Seek those things a - bove;  
2. If ye then with Christ be ris - en, And the vic - t'ry won,  
3. If ye then with Christ be ris - en, Let thy soul re - joice

Let His glo - ry shine a - round thee, Show - ing forth His love,  
Let your tho'ts on Him be cen - tered Till the race is run;  
Let con - tin - ual praise be sound - ing, With glad heart and voice,

Once up - on the cross He suf - fered - Gave His life a ran - som free -  
Let no anx - ious tho't per - plex thee, Or temp - ta - tions still dis - may -  
He who died to be your Sav - ior Rose a - gain to be your King;

Yet the grave could not re - tain Him, And He lives e - ter - nal - ly.  
Think when - e'er the clouds sur - round thee, Soon shall dawn a bright - er day.  
If ye then with Him be ris - en, Let your joy - ous prais - es ring.
