

Now The Day Is Dying

Slowly, with expresion

1. Now the day is dy - ing in the gold - en west, Lit - tle birds are
2. In God's care so ten - der they will fall a - sleep, For the Lord doth
3. When the morn is break - ing in the ros - y east, They will thank the

fly - ing home - ward to their nest; Lit - tle chil - dren gath - er round the
safe - ly lit - tle chil - dren keep; Gives them sweet - est slum - bers, guards them
Fa - ther for their pleas - ant rest; Hap - py, hap - py chil - dren in His

hearth - stone bright, Sweet - ly they are say - ing now, "Good - night, good - night."
in their bed, And from ev - 'ry dan - ger shields each lit - tle head.
lov - ing care, They need fear no dan - ger, God is ev - 'ry - where.
