1. Once more to Thee, O Lord A fam - i - ly we come,
2. O let Thy love and pow'r Our ev - 'ry thought con - trol,

As from our val - ued work a - broad The ev - 'ning calls us home;
And at this ho - ly eve - ning hour Draw heav - en - ward each soul!

Lord, lift from ev - 'ry heart The load of anx - ious care,
The lives which Thou dost spare Be - long, O Lord, to Thee;

While draw - ing from the world a - part, We join in fer - vent pray'r.
O may we own a Fa - ther's care And lov - ing chil - dren be!
