

We Walk By Faith

1. By child - like faith in Christ, the Lord, We have from sin sal - va - tion;
2. How sim - ple is the way of life, 'Tis on - ly to be - lieve Him,
3. Thru Je - sus's death the debt was paid, Not feel - ing, nor e - mo - tion,
4. We walk by faith and not by sight, How grand is this re - veal - ing!

By ful - ly trust - ing in His word, We pass from con - dem - na - tion.
Twill end your sor - row and your strife If you will but re - ceive Him.
On Him our sin and guilt was laid; O, give Him your de - vo - tion.
'Tis God's own way, and must be right, 'Tis wrong to trust in feel - ing.

Chorus

We walk by faith, and not by sight,
We walk by faith and not by sight; 'Tis God's own way, and must be right,

We walk by faith by faith, We fol - low Christ the Light.
We walk by faith and not by sight;
