

Work While It Is To-Day

SERVICE S. M.

1. Work while it is to day! This was our Sav - ior's rule;
2. Lord Christ, we hum - bly ask Of Thee the pow'r and will,
3. At home, by word and deed, A - dorn re - deem - ing grace;
4. That thus the wil - der - ness May blos - som like the rose,
5. For Thee our all to spend, Still may we watch and pray,

With will - ing minds let us o - bey, As learn - ers in His school.
With fear and meek - ness, ev - 'ry task Of du - ty to ful - fill.
And sow a - broad the pre - cious seed Of truth in ev - 'ry place -
And trees spring up of right - eous - ness, Wher - e'er life's riv - er flows.
And, per - se - ver - ing to the end, Work while it is to - day.
