

# Gone Another Year

Em(G)/B - MI

*Adagio*

1. Gone an - oth - er year-      Gone be - yond re - call;  
2. Dawns an - oth - er year-      O - pen it a - right;

Gone its smile and tear,      Gone its joy and thrall.  
Thou shalt have no fear      In its fad - ing light.

Vain is now la - ment,      Naught canst thou ef - face;  
Live that not a stain,      Live that not a deed

Tho' thou now re - pent,      Naught canst thou e - rase.  
May a - wak - en pain,      May e - ras - ure need.
