

# Father, To Thy Dear Name

Ab

*Andante*

1. Fa - ther, to Thy dear name I lift my voice in praise,  
2. As I may jour - ney on Life's high - way, smooth or rough,

For Thou hast been my guide Thru all my days.  
If Thou wilt be my help, It were e - nough.

What - e'er on earth is mine Came from Thy lov - ing hand,  
Tho' time may take from me Much that I now hold dear,

Right - ly to use and share At Thy com - mand.  
Let it not take the hope That Thou art near.
