

# O Stand In Awe, And Fear Me

D

*Allergro moderato*

1. O stand in awe, and fear to sin A - gainst God's ho - ly will;  
2. Now, while I pray, my heart doth feel New joys with - in me born,

With your own heart on bed of rest Take coun - sel, and be still.  
More glad-d'ning than the vin - tage brings, Or gar - ners stored with corn.

O let your heart be right with God, To whom your off - 'rings rise:  
And I will lay me down to rest, And peace shall spread her wings,

And rest your hope and trust a - bove, Be - yond the glo - rious skies.  
To calm my spir - it where I dwell Kept by the King of kings.
