Who led them o'er the wa - tery ways To lands un - trod:
 Hold fast thru good and e - vil days Thy glo - rious pow'r:
 Who lead - eth still in un - seen ways, By paths un - known.
 Whose care a - bove the pass - ing days A - bides the same:

Seed of a race to be, Up - on His new - world shore,
 The age - long hope ful - fil, New - quick - ened at thy birth;
 His pur - pos - es of old And prom - is - es en - dure,

 Thy strength thy God, whose right - eous will Rule heav'n and earth.
 And thru the cir - cling years un - fold, For ev - er sure.
 Our dwell - ing - place and our de - fense From age to age.
