To God let us ren - der our prais - es!

From His store of de - lights All our days, all our nights,
Thru the win - ter's wild wrath, Thru the sum - mer's still path,
In His care we a - bide, In His love we con - fide,

How rich - ly with pleas - ures He grac - es.
Our foot - steps se - cure - ly He guid - eth.
His mer - cy for - ev - er at - tends us.
